

Your safe stay at **Pension Gloria**

Dear guests, dear friends!

We hope you left the turbulent last months behind you in good health and are looking forward to the coming winter season just like we are.

Nevertheless, special times require special measures...

which is why we at Pension Gloria - as in the whole of Obertauern - are currently making every effort to make all preparations and arrangements in order to be able to offer you a safe and as restriction-free stay as possible.

We, too, are constantly confronted with numerous unforeseeable events and must therefore constantly await important decisions and adapt our planning to existing legal regulations.

Please check currently [valid regulations](#).

Information on planned events can be found at www.obertauern.com. To ensure a safe vacation for our ski-loving guests, the events will be announced at short notice, depending on the situation.

For your safety

For us in Obertauern, "safety" does not only mean guaranteed snow, but with regard to COVID-19, we will work together with all entrepreneurs and make every effort to make your stay as safe as possible and with as few restrictions as necessary.

We follow the measures defined by the Ministry of Health.

Disinfection stations for hand hygiene can be found in the entire hotel area, soap for hand washing is available for you.

The laundry is washed according to the hygiene regulations.

Our employees will further tighten our strict hygiene standards and will of course clean frequently touched objects like door handles and armatures even more frequently and carefully.

We thank you for protecting yourself, other guests, employees and our family with your behavior.

For your stay in our house, you need one of the following certificates:

Vaccinated

or

Recovered

Vaccinated

If you are not sure, whether your vaccination is valid in Austria for your stay, please use the [official validity calculator](#) to check.

Recovered

A certificate of recovery is valid for six months – starting at the earliest with the 11th day after the first infection was confirmed by a molecular test (PCR) and lasting for up to 180 days after that.

Travel Cancellation Insurance

Currently, we strongly recommend that you take out travel cancellation insurance. Our partner, the Europäische Reiseversicherung is currently the only insurance company that covers COVID-19 illness for insured guests.

Find out more about different [COVID-19 services](#).

More questions?

If you have any further questions about your vacation or the current situation in Austria, please do not hesitate to contact us by phone or e-mail.

We thank you for your understanding and are looking forward to welcoming you soon as our guests "on top" in the Pension Gloria.
